

NIOBRARA PUBLIC SCHOOLS 2022-2023

1

Niobrara Public Schools is a Class III school district located in Northeast Nebraska along the scenic Niobrara and Missouri Rivers. It serves approximately 220 students over 149 square miles. The student population is reflective of the diverse cultural realm that the district serves. There are significant numbers of American Indian (Santee Sioux and Northern Ponca) students receiving their education at Niobrara Public Schools. The school system has been divided into a K-6, 7-12 organizational structure.
